+ SMACKERS · SUPER CHIX – SIX CONCEPTS, ONE FAMILY

Your guests are our audience.

01

Thirteen dining rooms inside our map.

Harvey's, The Grill, and Sweet Peppers Deli anchor Starkville, Columbus, and Tupelo; Bulldog Burger, Smackers, and Super Chix fill in the rest. No other advertiser overlaps our territory the way you already do.

02

Our rooms are your dinner crowd.

The salon chair, the gym, the clinic waiting room, the wine shop — 125 screens in the rooms where the Golden Triangle and Tupelo decide where to eat tonight.

03

The last thing they see before they eat.

A seated audience, 55+ minutes at a time, every 15 minutes all month. When someone leaves a haircut at 5 p.m., Bulldog Burger is the last brand they saw.

04

One family, one campaign.

Six concepts share one contract: a rotating quarterly spotlight, a group bumper that keeps the whole family on screen, and finished creative you own forever — in any market.

One network, five growing North Mississippi markets.

WHERE THE SCREENS LIVE

Our screens sit inside the restaurants, medical clinics, salons, dealerships, pharmacies, co-ops, and civic buildings North Mississippians already spend their week in. Dwell time is measured in tens of minutes, not seconds — your spot plays to a seated, waiting audience.

With dining rooms in Starkville, Columbus, and Tupelo — and Oxford's game-day corridor feeding all three — every market we operate is a market that feeds you.

WHAT SETS MCTV APART

- 01 Owner-operated and local.** The fastest-growing owner-operated indoor billboard network in North America — run from North Mississippi.
- 02 Unskippable by design.** No remote, no ad-blocker, no scroll. Your spot can't be skipped, muted into irrelevance, or thrown away.
- 03 A captive, seated audience.** 1,500+ plays per screen every month, in rooms where people are waiting anyway.
- 04 Accountable.** Proof-of-play reporting documents play counts by screen — you see exactly where and how often your ad ran.

Every venue, every market.

1 Choose your footprint.

Pick your package — the full network is our recommendation — and we reserve your screens the same day.

2 We build your spot.

3 You're live within the month.

Every 15 minutes, on every screen in your footprint, every operating hour — with proof-of-play reporting delivered to your inbox.
