HOST PARTNERSHIP PROPOSAL

August 2026 · Prepared Exclusively for Our Host Venue Partner

You've been running network-wide, free. While inventory was open, your ad played far beyond the standard host benefit — across our screens at no cost. This proposal is your first right to keep that reach as paid advertisers fill the network.

WHAT HOST PARTNERS GET

Hosting an MCTV screen makes The Warehouse Market more than a venue — it makes you a partner. Every host partner receives all of the following, **completely free, for as long as you host**:

5 Free Advertising Screens

Your ad running in five venues of your choice across the network — restaurants, clinics, salons, shops — at no cost, every month.

Custom HD Ad Production

A custom 15–30 second high-definition spot showcasing your deals, location, and team — designed and built by our in-house creative team.

Quarterly Creative Refreshes

A fresh ad build every quarter, free — holiday promos, seasonal items, new arrivals, whatever's moving that month.

Unlimited Rotation

Your spot runs on a 15-minute loop — 1,500+ plays per screen every month. Unskippable, unblockable, impossible to scroll past.

Proof-of-Play Reporting

Real numbers, venue by venue — exactly where and how often your ad ran, sourced from NTV360 network analytics.

You Own Your Ad Forever

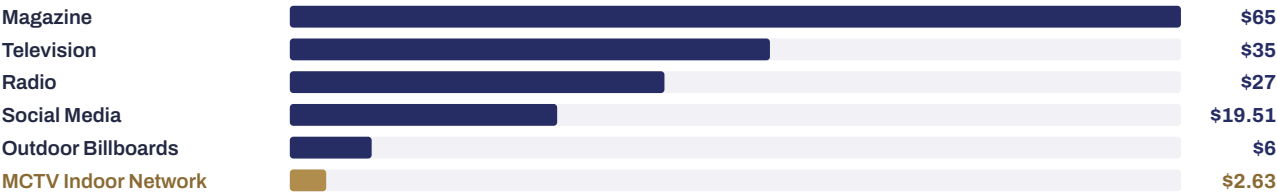

Every spot we produce for you is yours to keep — use it on social media, your website, anywhere you like.

The network you're part of

MCTV is the fastest-growing owner-operated indoor billboard network in North America — digital screens inside the venues North Mississippians already visit every week, across **Oxford, Tupelo, and the Golden Triangle**. Our screens live where people wait: an average dwell time of 55+ minutes puts your name in front of a captive local audience, month after month.

COST PER 1,000 IMPRESSIONS — LOCAL COMPARISON

MCTV figure is the network blended average (campaigns priced as low as \$1.64 CPM at scale). Comparison figures are typical U.S. local CPM ranges by channel (industry estimates).
