

PREPARED FOR **STARKVILLE OKTIBBEHA SCHOOL DISTRICT**

ATTN: ROYANN BELL

AUGUST 24, 2026 • PREPARED BY **SWAYZE HOLLINGSWORTH**

## A PARTNERSHIP PROPOSAL

# Put Starkville schools on the screens Starkville watches.

MCTV runs the Golden Triangle's indoor billboard network — high-definition screens inside 29+ Starkville, Columbus & West Point venues where local families already spend their time, including the **Travis Outlaw Center at Starkville Parks & Recreation**. We'd like to start this partnership with a gift.

## SEPTEMBER WELCOME OFFER • STARKVILLE OKTIBBEHA SCHOOL DISTRICT

## 10 screens • all of September • \$200

Regular 10-screen rate: ~~\$350/month~~ — MCTV is covering the difference as a welcome to the district.

- A custom 15–30 second HD ad, designed and produced by our in-house team — free
- 10 Golden Triangle screens, anchored on Starkville venues incl. Parks & Recreation
- Your spot on a 15-minute loop — 1,500+ plays per screen, unskippable
- Proof-of-play reporting at month's end, so you see exactly what ran
- You own the ad we build — keep it and use it anywhere, forever
- No contract beyond September — decide about October after you've seen it work

One-month courtesy rate for September 2026. Fits the district's remaining budget to the dollar.

## WHY THIS FOOTPRINT FITS THE DISTRICT

Your audience is Starkville families — and they're already standing in front of these screens. The **Travis Outlaw Center (Starkville Parks & Recreation)** puts the district's message in front of parents at practices, games, and community events, alongside screens in the restaurants, clinics, and local spots those same families visit every week. Enrollment news, event dates, school pride — seen where the community actually gathers.

## THE VALUE, IN NUMBERS

# More Starkville for every dollar.

You've bought outdoor billboards before. Dollar for dollar, MCTV's indoor network delivers the same audience for a fraction of the cost — with proof that the message actually ran.

## COST PER 1,000 IMPRESSIONS • LOCAL CHANNELS

Typical U.S. local CPM by channel vs. the MCTV network blended average

\*CPM = cost per 1,000 impressions. MCTV figure is the network blended average — campaigns run as low as \$1.64 CPM at scale. Comparison figures are typical U.S. local CPM ranges by channel (industry estimates). Impressions modelled from venue traffic and dwell.

### A CAPTIVE AUDIENCE

A car passes a billboard in seconds. Our venues hold people for **55+ minutes on average** — long enough to see your message again and again. Unskippable, unblockable, impossible to scroll past.

### COMMUNITY, NOT TRAFFIC

MCTV is **Starkville's own network** — screens inside Parks & Recreation, local restaurants, clinics, and shops. The district's message runs beside the businesses families already trust, not on a highway.

### PROOF, NOT PROMISES

A billboard can't tell you who saw it. Every MCTV campaign gets an **Ad Traction Report** — plays, screen time, dwell, and venue-by-venue results. You'll see where every dollar went.
