You provide: wall space for 1 screen + \$500/mo.

- **20 additional Oxford screens** carrying your ad.
- **Google Business Profile** managed by MCTV, so Parlor 1858 shows up for "pizza near me."

Why we recommend Option 3. For \$150 more than Option 2 you add five screens and MCTV takes over your Google Business Profile, the listing Oxford sees first when it searches for pizza. Screens bring people in the door; search catches the ones already looking.
