OWN THE MOMENT

Put your name on the board they watch.

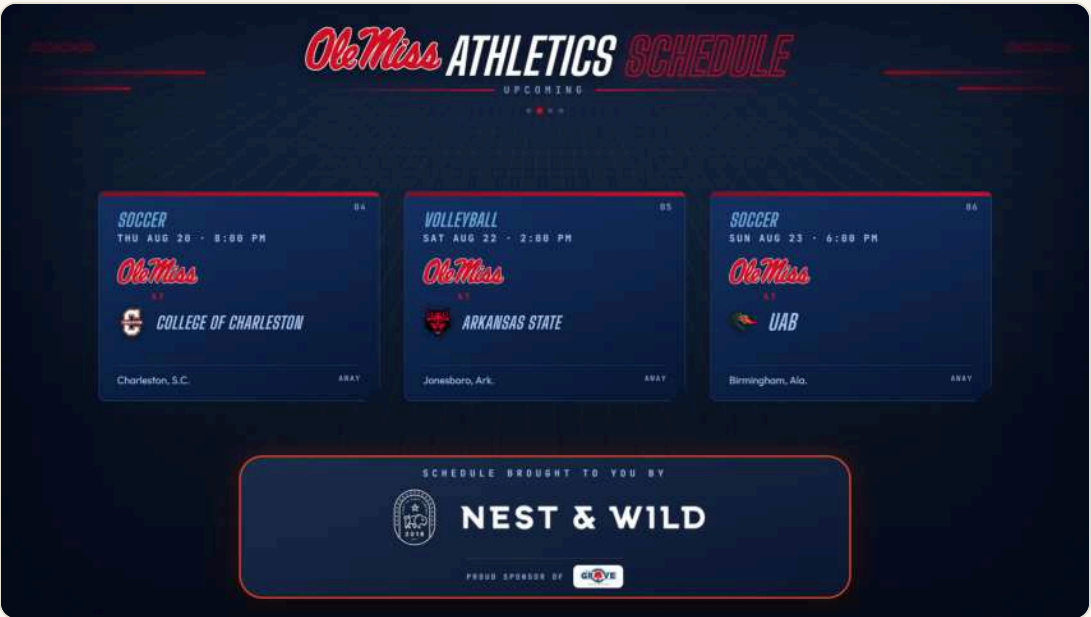

We build live local boards — game schedules, traffic, weather, lake levels, markets — and run them in the loop between ads. People stop and read them. **One sponsor per board, per market**, with your logo locked to every screen it plays on.

SOLD Ole Miss • Oxford — NE Sparc

OPEN Mississippi State • Starkville — Available now

SOLD Ole Miss • Tupelo — Nest & Wild

A portion of every athletics schedule sponsorship goes directly to the school’s NIL collective — The Grove Collective at Ole Miss, The Bulldog Initiative at Mississippi State. Your name runs with the schedule, and the athletes share in it.

ALSO AVAILABLE Sponsor the local charity, organization or cause of your choice — your name runs alongside theirs across the network.

The boards your name can live on.

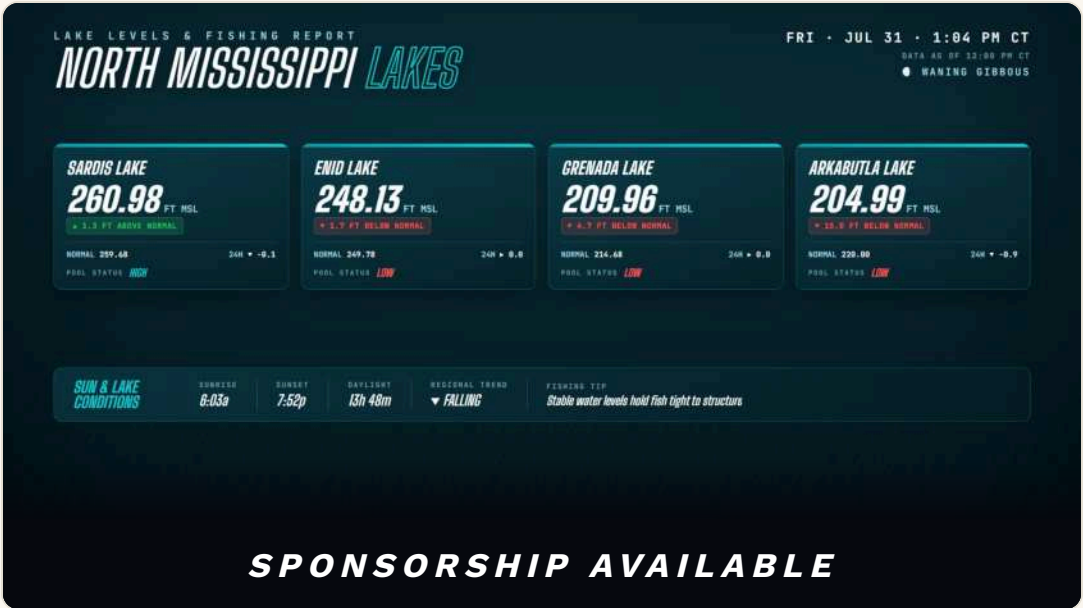

OPEN **Tupelo Airport Flights** — Arrivals · departures

Live gate board for Tupelo Regional — a captive room with nothing else to look at.

SOLD **Local Weather · Tupelo** — Watkins Construction & Roofing

Current conditions and the days ahead — the board people check without being asked. Built per market, so Oxford and Starkville are separate buys.

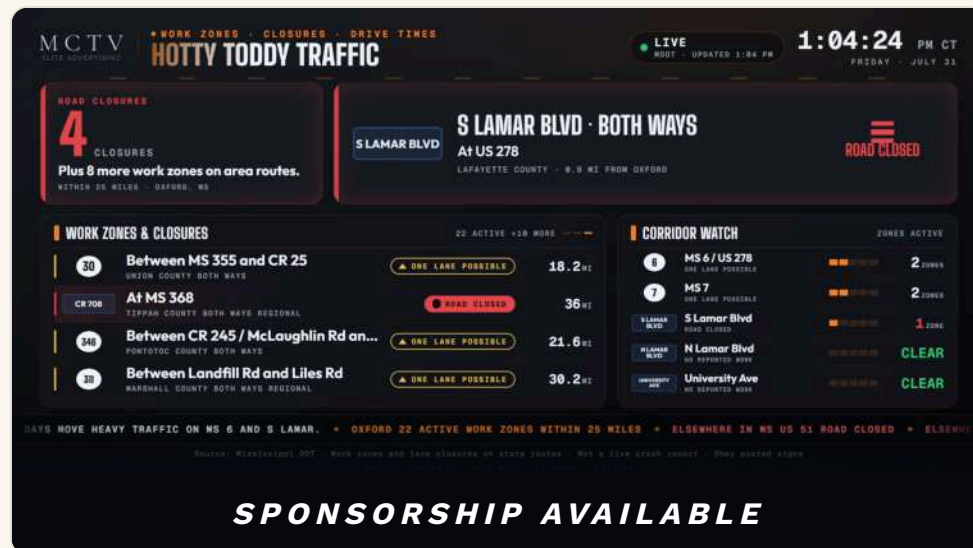

OPEN **North MS Lake Levels** — Sardis · Enid · Grenada · Arkabutla

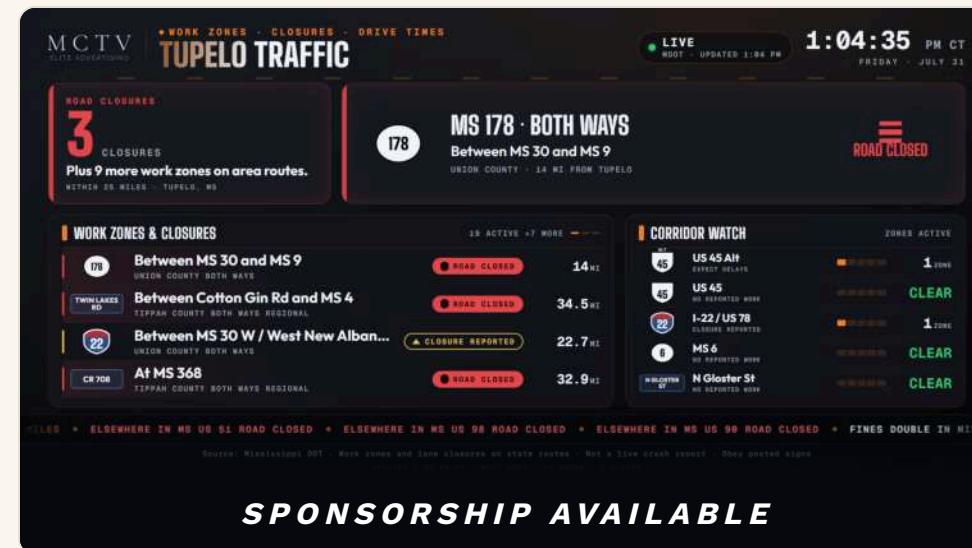

Live pool levels straight off the Corps of Engineers gauges. Fishing, boating, hunting money.

Every campaign is measured and written up — plays, screen time, dwell, modelled impressions, and how the buy broke down market by market and venue by venue.

Reports run on a **quarterly cadence** by default, and we can generate one **at any time** — before a renewal conversation, after a seasonal push, or whenever you want to see where the money went.
