Own the room, not just the road.

FINANCIAL CONCEPTS

Where MCTV fits.

01

You already believe in out-of-home.

Your billboards work the highways — but a driver gets seconds. MCTV puts the same brand in front of a seated audience for 55+ minutes at a time.

02

Our rooms are your client list.

Restaurants, gyms, salons, and clinics — the venues where the Golden Triangle's families, professionals, and retirees already wait.

03

Trust is built on repetition.

A wealth-management brand seen every 15 minutes, inside the hometown places people trust, all month long.

04

Own the category.

Financial-services exclusivity is available — no competing advisor on any screen you buy.

One network, three growing North Mississippi markets.

WHERE THE SCREENS LIVE

Our screens sit inside the restaurants, medical clinics, salons, dealerships, pharmacies, co-ops, and civic buildings North Mississippians already spend their week in. Dwell time is measured in tens of minutes, not seconds — your spot plays to a seated, waiting audience.

Buy one market or all three: reach compounds as your footprint grows across Oxford, Tupelo, and the Golden Triangle.

WHAT SETS MCTV APART

- 01 **Owner-operated and local.** The fastest-growing owner-operated indoor billboard network in North America — run from North Mississippi.
- 02 **Unskippable by design.** No remote, no ad-blocker, no scroll. Your spot can't be skipped, muted into irrelevance, or thrown away.
- 03 **A captive, seated audience.** 1,500+ plays per screen every month, in rooms where people are waiting anyway.
- 04 **Accountable.** Proof-of-play reporting documents play counts by screen — you see exactly where and how often your ad ran.

Every venue, every market.
