

FOUR BRANDS. THREE MARKETS. ONE NETWORK.

Twelve Eat With Us restaurants sit inside MCTV's North Mississippi footprint. The people who eat with you are already standing in front of our screens — this is a plan to put your whole family of brands in front of them, every day.

BULLDOG BURGER CO	STARKVILLE · TUPELO · RIDGELAND
SWEET PEPPERS DELI	STARKVILLE · COLUMBUS
Grill	STARKVILLE · COLUMBUS · TUPELO
H A R V E Y S	STARKVILLE · COLUMBUS · TUPELO

Plus Smackers in Columbus and Super Chix in Tupelo, Flowood & Pensacola — six concepts in all.

YOUR GUESTS ARE OUR AUDIENCE

Shannon,

Most advertising asks you to buy an audience and hope your customers are in it. This proposal is the reverse: we already know where Golden Triangle and Tupelo diners spend their week — the salon chair, the gym, the clinic waiting room, the wine shop — because that's where our 125+ screens hang. When someone in Starkville is deciding where to eat after a haircut, Bulldog Burger should be the last thing they saw.

What makes Eat With Us unusual — and unusually good for this network — is that you're not one restaurant, you're twelve, across every market we serve. One campaign can work for the whole family: Harvey's and The Grill anchor all three towns, Sweet Peppers owns lunch in Starkville and Columbus, Smackers and Super Chix round out the map. No other advertiser on our network can cover our territory the way you already do.

Everything below comes straight from our current rate card — no invented numbers, and every figure is one I'll stand behind in person.

THE RECOMMENDATION

RUN THE WHOLE NETWORK

With restaurants in every town we serve, partial coverage leaves money on the table. The full-network package is our best per-screen rate, and it's the only tier that puts every one of your twelve dining rooms downstream of a screen.

80 SCREENS — DEEP SATURATION

\$1,400

/mo

\$17.50 per screen · 120,000 ad plays / mo · 6-month minimum

Every campaign includes: custom ad production · unlimited rotation · proof-of-play reporting · quarterly creative refresh · your ad is yours to keep, forever.

ONE CONTRACT, A DIFFERENT BRAND EVERY QUARTER

The quarterly creative refresh is built into the rate — for a multi-brand group it becomes a rotation stage. One suggested year:

Q1 · WINTER

BULLDOG BURGER

Comfort food season;
burgers & basketball
nights.

Q2 · SPRING

SWEET PEPPERS DELI

Lunch, graduation
catering, office orders.

Q3 · SUMMER

SUPER CHIX & SMACKERS

Family season for the fast-
casual concepts.

Q4 · FALL

HARVEY'S & THE GRILL

Game days, date nights,
holiday parties.

ADD-ONS

MAKE THE STACK MOVE

Animated logo bumpers **\$10 / screen / mo + \$150 setup**

Your four-color brand card was made for motion. A custom animated bumper of the Eat With Us stack playing across the network keeps the whole family in view even during single-brand quarters.

Cause sponsorship **\$10 / screen / mo**

Put "Proudly supporting" behind the local causes your restaurants already back — MSU athletics boosters, school programs, community events — with your name on it, network-wide.

PREPAY & SAVE

Pay a 6-month term in full → **7th month free.**

Pay a 12-month term in full → **13th & 14th months free.**
