

Proof of Play Report

Project CARE / SOSD Discovery Center · 30-second ad · September 22 – 24, 2026

Prepared for	Roy Ann Bell, Project Manager – Project CARE, SOSD Discovery Center
Prepared by	Swayze Hollingsworth, MCTV Digital
Campaign	Project CARE – Active Parenting & Family Resource Library (30-second spot)
Media file	NTV18_SOCSD_OUT1.webm
Playlist	D.476 1-Mainshow Starkville (plus Oxford network)
Report period	Tuesday, September 22, 2026 through Thursday, September 24, 2026

Campaign Summary

19	2,929	24h 24m 30s	30 sec
Host screens	Total plays	Total on-screen time	Spot length

The Project CARE ad played **2,929 times** across **19 host locations** between September 22 and September 24, 2026, for a combined **24h 24m 30s** of on-screen time. Every play is the full 30-second spot. Play counts and durations below come directly from the MCTV network playback log for this media file.

Bonus screens: 9 of the 19 host screens above were added to the campaign **at no charge** as a gift to Project CARE, extending the ad's reach across Starkville beyond the screens purchased.

On track for 15,000+ plays: at the current pace, the Project CARE ad is on target to play **at least 15,000 times before October 1, 2026**. An updated report will follow at the end of the flight.
