THE ASK

The proposal, in six lines.

1. **What.** Silent 15-second spots for Little & Holland, PLLC: one on every screen, or two matched to the room, a DUI spot in our college-crowd venues and The Oxford Family Membership where families and professionals wait. Same price either way.

2. **Plus.** A 15-second spot for your rental car business on the same screens, at half our screen rate: $250, $400 or $700 a month.

3. **Where.** Oxford first. Twenty or forty screens can stay inside Oxford's 44 host venues. Eighty screens add Tupelo and the Golden Triangle.

4. **What it costs.** Little & Holland from **$500 a month**, both businesses from **$750**. Option 4 adds the presenting sponsorship of MCTV Traffic in Oxford: $2,000 a month, $2,700 with both spots.

5. **Pay up front.** Prepay six months and the seventh is free. Prepay twelve and the thirteenth and fourteenth are free. Monthly billing has a six-month minimum.

6. **What we need.** Your option and a signature on page nine, plus the phone number each spot should carry. Screens start about two weeks after you approve the ads.

Every spot runs full-screen, unskippable, in rooms where people are already sitting. One agreement, one invoice, one point of contact: Swayze Hollingsworth, 662-907-0404, swayze@mctvofms.com.

Four ways to build it.

Run one spot on every screen, or split your screens by audience at no extra cost.

MOCKUP · SPOT A IN A HOST DINING ROOM

- Rafters Music and Food
- The Velvet Ditch - Sports Bar & Seafood
- The Oxford Growler
- Rosati's Pizza
- Southern Coop
- Rebel Body Fitness

MOCKUP · SPOT B IN A HOST RECREATION CENTER LOBBY

How the split works. Your option's screens are divided between the two spots by venue type, so each spot plays only where its audience is. Total ad plays stay at 30K, 60K or 120K a month. Venues above are examples; we set the split with you, venue by venue, before launch. Room photos: MCTV.

"Both" = Little & Holland plus the rental car spot. "Saves" is the value of the free months. Monthly billing has a six-month minimum, then runs month to month with 30 days' written notice to stop.

THE AGREEMENT

The terms, in plain words.

TERM	Six-month minimum. After that, month to month, with 30 days' written notice to stop. Prepaid terms run seven or fourteen months on air.
BILLING	On signing, the first month is billed, or the full amount if you pay up front. On monthly billing, the next cycle starts 30 days after your ads are approved and live.
CREATIVE	MCTV designs and produces every spot: Little & Holland's **:15** (or both: DUI and The Oxford Family Membership) and the rental car **:15**. Silent, with on-screen text. Three rounds of changes each, then $200 a round. A fresh spot each quarter if you want one. You own them.
SCREENS	Little & Holland picks the option; the rental car spot runs on the same screens. With two Little & Holland spots, the screens are split by venue type, set with you before launch. Host venues are independent businesses: a venue may decline a category, and MCTV may substitute a venue. Proof of play every month.
SPONSORSHIP	Option 4 only. Presenting sponsor of MCTV Traffic on the Oxford board, credited to the business you pick on page nine.
BAR FILING	Each Little & Holland spot, and its traffic lookup if the firm is the sponsor, is filed with the Mississippi Bar before it first airs: **$25 per ad, paid by the firm**, so two spots means two filings. We hand you the Bar Filing Packet: the file as it will run, a transcript and a where-and-when schedule. The rental car spot needs no filing.
ONE CONTACT	One agreement, one invoice, one point of contact: Swayze Hollingsworth.

MCTV Traffic, in Oxford.

Road work and lane closures on the state routes around Oxford, from Mississippi DOT, refreshed about every two minutes. Your name presents it in the main loop. It never shows a crash report.

MOCKUP · THE TUPELO BOARD, LIVE MDOT DATA.
YOUR NAME RUNS ON THE OXFORD BOARD.

Every Little & Holland spot, laid out to file.

1. The notice **FREE BACKGROUND INFORMATION AVAILABLE UPON REQUEST**. Rule 7.4(a).
2. The city and state of an office. Rule 7.2(c).
3. The name of a lawyer responsible for the ad. Rule 7.2(d).

What the published rules say, not a compliance opinion. Your firm owns the call.

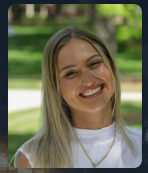

NEXT

Five steps and four questions.

SIGN	Pick your option and one spot or two on page nine, tick the rental car spot if you want it, and sign. We countersign within two business days.
CREATIVE	Creative directions for every spot from us. Silent, and for Little & Holland, laid out to file.
YOU APPROVE	You approve the spots. We hand over the Bar Filing Packet, and your firm files each Little & Holland spot.
ON AIR	About two weeks after you approve, your spots go live, and we photograph them on the wall.
EVERY MONTH	Proof of play by venue. Every quarter, a fresh spot if you want one.

FOUR QUESTIONS FOR YOU

1. What is your rental car business called, and can you send its logo?
2. Which phone number should each spot carry?
3. Which attorney should be named as responsible for the Little & Holland spot?
4. If you pick option 4, which business should present MCTV Traffic?
