WHAT HOST PARTNERS GET

Everything below. Free.

Hosting an MCTV screen would make The Warehouse Market more than a venue — it makes you a partner in the fastest-growing owner-operated indoor billboard network in North America, with screens across **Oxford, Tupelo, and the Golden Triangle**. Every host partner receives all of the following at no cost, for as long as you host:

5 Free Advertising Screens

Your ad in five venues of your choice across the network — restaurants, clinics, salons, shops — free every month.

Custom HD Ad Production

A 15–30 second high-definition spot showcasing your deals, location, and team — built by our in-house creative team.

Quarterly Creative Refreshes

A fresh ad build every quarter — holiday promos, seasonal items, new arrivals, whatever's moving that month.

Unlimited Rotation

A 15-minute loop delivering 1,500+ plays per screen monthly. Unskippable, unblockable, impossible to scroll past.

Proof-of-Play Reporting

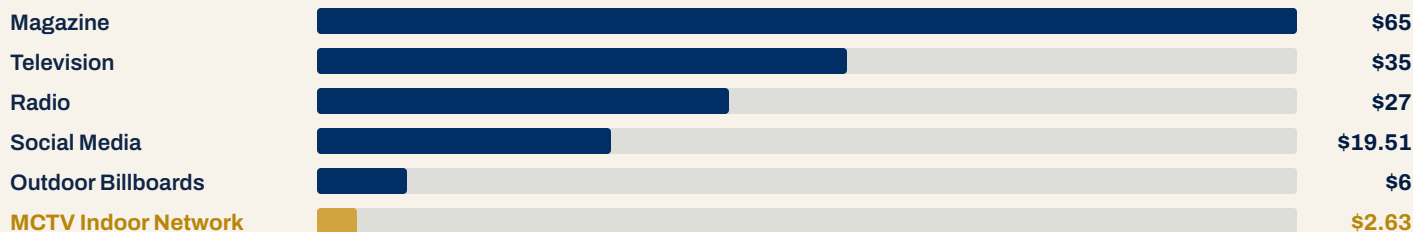

Real numbers, venue by venue — exactly where and how often your ad ran, from NTV360 network analytics.

You Own Your Ad Forever

Every spot we produce is yours to keep — use it on social media, your website, anywhere you like.

COST PER 1,000 IMPRESSIONS

Local CPM comparison.

MCTV figure is the network blended average (campaigns priced as low as \$1.64 CPM at scale). Comparison figures are typical U.S. local CPM ranges by channel (industry estimates).

The network exists because great local venues open their doors to it — we'd love for The Warehouse Market to be next, and for the whole town to see your name.
